**MEMO ENDORSED**

**RE: United States v. Nurridin Witcher**  
**20 Cr. 116 (KMW)**

Dear Judge Wood:

On the encouragement of Pretrial Services and on behalf of Mr. Nurridin Witcher, I write to respectfully request that the Court modify Mr. Witcher's pretrial release conditions to eliminate the requirement of home detention and instead place Mr. Witcher on a curfew enforced by GPS monitoring. The curfew suggested by Pretrial is between 6 pm to 8 am EST, with Pretrial Services being able to modify his curfew for work purposes. The Government does not object to these conditions.

KMW  
granted

Mr. Witcher is in full compliance with the conditions of his release. He has also engaged with the Federal Defender social work team, and has been actively seeking employment. Mr. Witcher's Pretrial Services Officer Carlos Ramirez suggested this bail modification based upon Mr. Witcher's continued compliance.

Thank you for your attention to this matter.

SO ORDERED, N.Y., N.Y.
